

ALFRED KIPCHUMBA BETT

MEAT PROCESSING & PRODUCTION OPERATIVE

Nairobi City, Kenya | +254 748 718 067 | bettalfred93@gmail.com | Kenyan National

PROFESSIONAL SUMMARY

Dedicated and safety-conscious meat and perishable goods handler with six years of hands-on experience receiving, storing, and dispatching meat and cold-chain products in fast-paced environments. Skilled in cold-room handling, temperature-sensitive stock rotation, portioning, food-grade packing, and hygiene-compliant handling practices. Committed to food safety, product freshness, and workplace hygiene standards, with a strong track record of accuracy and reliability under time pressure. Known for physical stamina and the ability to work efficiently both independently and as part of a team to meet strict quality and output targets in a meat processing and production environment.

CORE SKILLS

- Meat & perishable goods receiving and inspection
- Cold-room and cold-chain temperature management
- Food safety, hygiene and HACCP-aligned handling
- Meat portioning, weighing and food-grade packing
- FIFO stock rotation and freshness control
- Loading, offloading and safe manual handling
- Warehouse and production-floor organization
- Health, safety and workplace compliance
- Physical endurance and fast-paced performance
- Teamwork, punctuality and attention to detail

WORK EXPERIENCE

Cold Storage & Perishable Goods Attendant — *Siginon Global Logistics* 2022 – 2025

- Received and inspected incoming meat and perishable food consignments, checking temperature, packaging integrity and condition against delivery documentation before releasing stock into cold storage.
- Maintained cold-chain and cold-room handling standards, monitoring storage conditions closely to preserve product freshness and prevent spoilage or contamination.
- Portioned, packed and prepared meat and perishable orders for dispatch, ensuring correct weights, labelling and food-grade packaging.
- Applied first-in-first-out (FIFO) stock rotation and hygiene practices in line with food safety handling standards.

- Conducted regular inventory control and reconciliation of perishable stock, maintaining accurate, audit-ready records.
- Followed and enforced strict health, safety and hygiene protocols throughout goods handling and storage areas.

Cold Storage & Perishable Goods Attendant — *Merserk Limited* 2019 – 2022

- Received and stored incoming meat and perishable stock, ensuring correct labelling, cold-room placement and product condition on arrival.
- Picked, packed and prepared perishable customer orders accurately and efficiently for timely dispatch.
- Loaded and offloaded refrigerated delivery vehicles, applying safe manual-handling techniques suited to perishable goods.
- Carried out routine stock-taking of perishable inventory and maintained clear, accurate cold-storage records.
